

AIMO Proof Pilot — Final Grade

Problem (#_ID): 5_POLYGO

Submission: model_6

Scoring scale (0/1/6/7) — two binary decisions:

Step 1. Is the solution essentially complete?

- If **no**: award **1** for significant partial progress, otherwise **0**.
- If **yes**: award **7**, or **6** if there is a minor error or omission.

Grade against the **markscheme** (docs/markschemes.pdf).

1. Final mark

Final mark (choose one):

2. Reasoning

Justify the mark with explicit reference to the markscheme points (e.g. **ME1**) where possible.

Correct solution with converse checked correctly. A slightly different approach to the mark scheme using the Rational Root Theorem, but mostly follows the ‘Right-to-Left’ approach.
