

AIMO Proof Pilot — Final Grade

Problem (#_ID): 2_ALTORO

Submission: team_3

Scoring scale (0/1/6/7) — two binary decisions:

Step 1. Is the solution essentially complete?

- If **no**: award **1** for significant partial progress, otherwise **0**.
- If **yes**: award **7**, or **6** if there is a minor error or omission.

Grade against the **markscheme** (docs/markschemes.pdf).

1. Final mark

Final mark (choose one):

2. Reasoning

Justify the mark with explicit reference to the markscheme points (e.g. **ME1**) where possible.

Complete coordinate solution. A couple of the coordinate/length computations are slightly terse, but the overall level of detail is high and comparable steps are properly justified — awarded 7.
